# 2<sup>ND</sup> INTERNATIONAL CONFERENCE ON CITY WITH A SOUL (CWS2015)

7<sup>th</sup> - 8<sup>th</sup> September 2015  
Hilton Hotel, Kuching Sarawak

Organised by:

Cities around the globe meet with challenges; some are unprecedented, which warrant for innovative solutions. These solutions, derive from various key players within the community and are vital in creating a vibrant, liveable and sustainable urban city; a city full of soul and vigor. The synergy that is resulted in the active participation and contribution will create a continually progressive city while retaining its essence, identity and soul.

The International Conference on City with a Soul 2015 (CWS 2015) aims to provide an excellent platform for the congregation of important decision makers to discuss and exchange knowledge and expertise in city planning and development. By placing emphasis on the importance of inclusiveness of the community in city planning, sustainable urban practices for future generation can be achieved.

### AUDIENCE

Mayors, City Administrators, City Managers, Councillors, Town Planners, Architects, Landscape Architects and Engineers from government agencies and private sectors, students, NGOs, Residents’ Association, Industry professionals and other stakeholders.
